track your kids' physical locations

Monitor whom your child is communicating

Parental Control Software

Parental Controls by ISP

The screenshot shows the SLT Mobitel website interface. At the top, there are navigation tabs for PERSONAL, BUSINESS, ETELESHOP, and SUPPORT. Below these, there are links for Telephone, Internet, Digital Life, PEO TV, IDD, Promotions, and Request Online. The main content area lists several features: REWIND TV, START-OVER TV, PARENTAL CONTROL (highlighted with a red box), FAVOURITES, and REMINDERS. The PARENTAL CONTROL section is described as: "Ability to restrict or hide Channels, TV programs and Movies according to your preference, restricting children from watching content not suitable for them."

Parental controls by SLT PEO TV

The screenshot shows the Dialog website interface. At the top, there are navigation tabs for Personal, Business, and About. Below these, there are links for EXPLORE & SHOP, MY ACCOUNT, and SUPPORT. The main content area features a banner for "HOME Broadband" with the text: "Manage your Kid's internet usage with ease via Child WiFi Service". The banner includes an illustration of two children sitting at a table with laptops, and a woman sitting at a desk with a computer, all connected to a Dialog Broadband router.

Dialog child WiFi service

The best filter — the one that lasts a lifetime
— doesn't run on a device but on the
software between your child's ears

- Larry Magid -

Extreme Use of Computer

- Rules to limit the screen time of your child
- Bring back playtime for children

Inappropriate Content

- Open communication with your child
- Supervise your child based on their age and emotional maturity
